

**3rd Edition of
World Congress & Expo on
Bioscience & Healthcare
Hybrid Conference**

*Theme: New digital Era of Bioscience &
Healthcare*

Invitation

Linkin Science welcomes you all to **3rd Edition of World Congress & Expo on Bioscience & Healthcare** (Onsite and Online) to be held during **June 1-3, 2026** at **Bali, Indonesia & Valencia, Spain**. The theme of the conference is “**New digital Era of Bioscience & Healthcare**”. We anticipate your participation at Bioscience & Healthcare Hybridevent. The conference will catalyzes ideas and enhance new interdisciplinary collaborations.

Bioscience & Healthcare are rapidly expanding by playing a prominent role in medical and healthcare fields. This conference is a platform to Industry, Academia, Researchers, and Innovators to come together to discuss the research activities, advancements, ideas and exhibit Bioscience & Healthcare products.

Bioscience & Healthcare is rapidly gaining attraction across a range of industries, from agriculture to water treatment to energy storage. Today, Bioscience & Healthcare is one of the most innovative, cutting-edge areas of scientific study and it continues to advance at staggering rates. Some of the highlights of the multi-disciplinary program include world- leading experts speaking on Primary healthcare, Clinical Radiology & Biomedicine, Healthcare Management, Strategy & Implementation, Environmental science & sustainability, Immunology, Biosensors, Stem cell Therapy and Regenerative medicine, Tissue engineering, Toxicology, Biomolecular engineering. Digital health is a broad, multidisciplinary concept that includes concepts from an intersection between technology and healthcare. Digital health applies digital transformation to the healthcare field and incorporating services. Bioscience & Healthcare conference lays a platform for the researchers to share their research ideas and knowledge of specific techniques in Bioscience field.

Our exciting scientific program will be presented over the course of three days in various session types Keynote Presentations, Oral sessions, Young research forum, symposia, Poster sessions and workshops.

Regards
Scientific Committee

Conference Sessions

- Primary healthcare
- Healthcare Management, Strategy & Implementation
- Clinical Radiology & Biomedicine
- Biosensors
- Tissue engineering
- Immunology
- Stem cell Therapy and Regenerative medicine
- Biomolecular engineering
- Food Resources; Safety, Security, Nutrition
- Digital health : AI, Augmented and virtual reality in Healthcare Industry
- Robotics and drones
- Environmental science & sustainability
- Traditional and Alternative Medicine
- Toxicology
- Pharmaceutical Research and Development
- Biopharmaceuticals and Biotechnology

Conference Highlights

- Best Poster Awards
- Opportunity for Workshops/ Symposiums
- Young Research Forum (YRF)
- Great opportunity for Scientific Networking
- Opportunity to become a Sponsor/ Exhibitor

Global Excellence Awards \$1500

Participants desiring to be considered for one of these awards need to specify their interest after their submission of the required abstract. Selected participants will felicitate certificates under three categories.

- Outstanding Submitted Abstract
- Best Poster Presentation
- Young Researcher Award
- Best Research of the conference as evaluated by the Scientific Committee to encourage budding scientists/ researcher.

Decisions will be made based on evaluation of the submitted abstract by the Scientific Committee. We want you to grab this opportunity and participate in the conference...!

About Bali & Valencia

Bali, often called the “Island of the Gods,” is one of the world’s most captivating destinations, known for its rich culture, stunning natural beauty, and warm hospitality. Located in the Indonesian archipelago, Bali offers a harmonious blend of ancient traditions and modern comforts. From pristine beaches and lush rice terraces to vibrant temples and colorful festivals, the island provides a truly immersive cultural experience.

Valencia, located on Spain’s stunning Mediterranean coast, is a vibrant and forward-looking city that perfectly combines innovation, history, and culture. As the third-largest city in Spain, Valencia is internationally recognized for its commitment to science, sustainability, and creativity. Valencia stands out as an academic and research hub, hosting renowned institutions like the University of Valencia and the Polytechnic University of Valencia, both contributing significantly to scientific advancement and innovation across Europe.
